In this particular instance the female suffrage experiment in Kausas has turned out satisfactorily. But one swallow does not make a summer, and while the ladies may be able to manage the details of a small town government even better than the lords of creation, the advisability of putting them in charge of city. State or National affairs has yet to be shown. It will take more than Oskaloosa to revolutionize the world.

#### RHODE ISLAND METHODS.

Rhode Island is a small State, but the result of the election there last week, WEST VIRGINIA PRINTING CO. which the Democrats won, is of peculiar significance. It is the first State to hold an election since the late national Republican victory, and it has for the first time admitted its large foreign born population ERECTED IN SACRAMENTO, CAL, for invitations. 88 00 to equality in the suffrage. Though a Rhode Island deprive the successful party The Masons, Knights Templar, Knights of A Pleasant Social Session of Alpha Lodge. 00 Democratic success, the peculiar laws of lo of a share of the fruits of it. In Rhode Island and Connecticut, States still bound by the laws of a by gone and bigoted genext eration, it requires a majority of all the OURRESPONDENCE CONTAINING IMPORTANT CHRISTON, IT REQUIRES a Majority of the SURmunications will not be returned a majority, the Legislature decides the

### SURROUNDED BY FIRE.

ries-The Loss of Life and Property.

St. PAUL, MINN., April 6. - The list of losses by prairie fires in Dakota increases, and the descriptions of hearbredth escapes myself neither admiration nor dislike of ceived from the spring wheat section of are very thrilling. In Yankton county alone the damage is placed at \$150,000 Near Rapid City, Prof. G. E. Bailey's be ranch was destroyed. The fire came up so suddenly that the inmates were compelled to run for their lives. Mrs. Bailey and Wm. Ashton, the hired man, had a very narrow escape with their lives, and both were badly burned. Eloise Madison a young girl, was caught by the flames and her clathes burned off. It is doubt al if she will recover.

At George Hunt's place the family had ast seated themselves at the dinner table when Mrs. Hant saw sparks flying in but two sermons in twalve months and was There were more or less winds through through a crack in the kitchen. Seizing a bungry for the Word, and who had come blacket spiece the people in the house threw them over their heads and started from the building, and all succeeded in reaching a place of safety. For twenty feet their path was through a sheet of flame fifty feet high. Many other farms on Rap-Valley barely escaped the flames, which sped acrose the ground like a flish of lighting The wind was blowing at the rate

Thousands of dollars worth of property was destroyed within ten miles of Freeonly escaping partially clothed. Machin ers are entirely destitute and without food and shelter. In Douglas county the fire was one of the worst ever known. Many farmers lost everything and are homeless and destitute. The house of Wm. Cline was burned, Mro. Cline p-rishing in the fl mss. At Woonsocket there was a perfect hurricane, and many building were damaged by the wind, which did not abate until Thursday. The loss to farmers will be several thousands.

Near Oakwood Lake lives Frank Good-For the past year or two the increase in children heroically fought the flames for down on their knees while the flames passed over them. Mrs. Goodfellow is

hadly burned that she will probably die. In Brule county casualties are being rehave lost everything, the loss reaching \$150,000. Two women were burned to

And next day and next night, in second constitution, be amended by adding the following: that I was recalled to a sense of my condicircles and at app inted festivities, the va-

reacher that John the Baptist stood in women were really marvelous. he loneliness of high integrity, musificated by the opinions of men, or those sentiments Well, it was neither in St. Louis nor New from eighty to ninety years of ege of society which demand that when we are | York. in Rome we shall do as the R mans do. end, in the language of the rector, "if we should have occasion to pass through hell we should do as the devils do, at least while making the transit." This naturally lifted me from speculations suggeted by the sight of the beautiful bonnet.

Upon going out of church I found in e lady who were the bonnet. Indeed, I the Northwest. The slight change that did not see enough of her face to form any opinion of her. But here was a set of stub a man I am not young; indeed, I have no of most of the complaint of dry weather Center, Wednesday night, and a party se hild that is not probably older than the from certain portions of Central and E stlady with the beautiful bonnet. My studes have not been largely in the department have occurred in some portions of Dakota of asthetics; they have been in science, least able to bear it. That part of Dakota of the parties, secured a shot gun and fire parties, secured a shot gun and fire physical and metaphysical. And yet a bristian minister, who is suspected of being on the edge of old age, and whor ached the city very weary from the delivery of a ourse of lecture to a body of clergymen planting. It runs up and down both sides "The Mini-terial Life," who was long- of the James River valley and along the on "The Ministerial Life," who was longng for the quiet sanctuary, who had beard from his hotel to hear this particular cler gyman preach, because he had long regard him and interest in him-such a hearer has worship broken by a thing not bad, not ngly, not disagreeable.

"Shame on the old minister! He should have behaved better!" Is that your comment? You are right, and what you say s true, and he will try to do better next ime. But here is something which actually has occurred, and it cannot be recalled. Shall we not learn lessons from our misfor- crease in the wheat area than had been tunes and privations?

Men do not wear any clothing calculated to attract attention, it is the women. If reform comes it must come from women. Will it? Where are those "Daughters of the King," of whom we hear? Can the do no hing? Will they not try? I talked it over with some ladies of the St. George's cong egation. Any sugg s ion from a man might probably peril the reform. Cannot Christian women seek and obtain from God such a consecration of their a thetic talents and culture as will enable them to devise some cure of an evil which is so great an of such a dress as will not call attention to the individual wearer, and will not be gro tesque or offensive to the beholders. that is required is that it be tasteful and I will not venture a suggestion, but I will describe a vision.

It was a sacred building. There was nothing to arrest or fix the attention. the injunction and other suits brought against the subject of the support of the There were no figures in the stained glass, crozier, nor cup, nor palen, nor d ve, nor and Mr. Steteon entered a carriage, and lamb, nor monogram.
